CITIZEN L AMBILUNA STAINLESS STEEL WATCH

Stainless Steel Watch, S\$604.55 (Silver), S\$658.05 (Rose Gold / Gold)

“WEARABLE LIGHT”

Singapore, September 2016 – The design features an overall lightweight stainless steel body and a minimalist finish that makes it suitable for any occasion. The beautiful, highly polished sheen – extending to every part of the watch – imparts confidence and peace of mind to the wearer. This classic timepiece is perfect for the sophisticated woman.

THE NEW “AMBILUNA” COLLECTION DESIGN INSPIRED BY SOU FUJIMOTO

The name “Ambiluna” is a portmanteau word derived from two elements: “Ambient” and “Lunar”. “Ambient” evokes the natural environment rich in air and light, while “Lunar” suggests the subtle power of the gently-glowing Moon.
