EXPERIENCE VISOLIFT FACIAL WITH BALTIC AMBER STONE

Singapore, May 2013 - Women tend to age faster and by the age of 30, signs of aging starts to show. The skin collagen production starts to decline hence wrinkles starts to develop and the skin's elasticity is reduced. Visolift facial specializes in restructuring, lifting, toning and firming while giving off anti-aging properties. You will see almost immediate results after the first treatment. Wrinkles and fine lines are visibly smoothed.

Visolift with Baltic Amber Stone

Visoanska's cult treatment is dedicated to skin lacking of firmness, vitality and tonus. This comprehensive manual anti-aging ritual activates every cutaneous function of the skin, relieves congestion in the epidermis and accelerates cell renewal. After an initial relaxing back massage, this ritual includes two exclusive facial massages specially created by our experts: Visolift and Visoliss. Using amber and howlite stones, it equilibrates and stimulates facial muscles, providing immediate toning and lifting effects. Wrinkles and fine lines are visibly smoothed. The face is re-sculpted, nourished and plumbed from within. Coupling oriental argan and rhassoul, the mask brings softness and a silky touch to the skin.

Time: 90 minutes

Benefits: **Restructuring, lifting, toning and firming anti-aging treatment.**
